Shooting Details (include how US Airways, its logo, and/or employees will be highlighted and portrayed):

Interviewees:

By signing this policy form, your company and crew agrees to US Airways' request to be courteous to all customers and employees who do not wish to be filmed or interviewed. In addition, your company and crew agrees to a US Airways or Airport escort if necessary. Taping is at all times subject to US Airways' discretion. At completion of the shoot, your company shall own all rights and have the right to use the footage in all markets and territories worldwide in perpetuity.

This document only provides permission from US Airways. All other parties including city offices, other airlines, specific airports and vendors require a separate approval process before a shoot can take place.
